# Deerfield Public Library (IL) Selects Millennium and Encore

Emeryville, CA—Deerfield Public Library (IL) has selected the Millennium ILS and the Encore discovery services platform. Millennium will replace a Dynix Classic system provided by SirsiDynix™. "After an extensive evaluation of competitive systems, we chose Millennium for its appearance and functionality for users and its excellent staff interface," says Karen Kleckner, Head of Readers' Services and Public Relations Coordinator. "It offers flexibility to meet the needs of our residents. Innovative also has an excellent reputation. Site visits to libraries in the Chicagoland area using Millennium also persuaded us that this would be the right system for us."

Dynix Classic™ is a trademark of SirsiDynix.
